## Classes

### OT Overview II

RM 201

Journey through the second half of the Old Testament, grasping what the big message of each book is and how they fit together.

### Christology

RM 202

Explore the inner workings and practical implications of the person and work of Christ in order to fuel your devotion to Him.

### The Christian & Politics

Fellowship Hall

We build a biblical and systematic theology of government so that we can live more wisely under the rule of Jesus.

## Kids & Youth

### OBC Kids

6mo-5th Grade

1st Floor, Education Building

This semester students will explore the history of Israel journeying from the conquest of Canaan to the reign of King David. Classes will consider how these events foreshadow and are fulfilled in the gospel of Jesus Christ. Curriculum is provided by The Gospel Project.

### Student Ministry

6-12th Grade

Room 204

Students will spend this semester diving deep into the doctrine of justification by faith alone and the way it transforms how and why we live for Christ.
